CD DIRECTOR TAKES ISSUE WITH HEAD OF CENTER AREA

William G. Weaver, director of Civil Defense for Adams County, today issued a statement in reply to the article published in The Times Saturday relative to the criticism leveled at the county C-D setup by J. Robert Stremmler, Selinsgrove, center area director for the state council of Civil Defense at a meeting with the county commissioners.

Weaver said that it is true federal funds are available for help of his salary and added: "Complying with some very red tape arrangement was set up to include a part-time salary for the director, and full-time salary for one of the secretaries in the commissioners' office who would be assigned to do all the director's clerical work, and for full-time pay for the control center operators. This was dropped before any federal pay was received for more reasons than the fact that I would not resign as mayor. That program could have been continued for the rest. I did not feel it fair to resign as mayor since the voters of Gettysburg had just elected me. PLAN IS DROPPED

"In order that any employee be qualified to work under the matching fund plan he or she must pass the state Civil Service examination. There was no money available for radio operators so they would have had to have been qualified as executive assistants. The commissioners in office at that time dropped the plan with a sigh of relief as they did not want any additional worry with the civil service organization and its threat of dictating local pay scales, as they had had in other categories in which it is compulsory to use the service of the state civil service.

"The former commissioners were very fair. They continued the higher part-time salary for some time and then by mutual consent I accepted a one-third cut. I had been the director for 10 years prior to this time, as a volunteer, but the work load got heavier each year. The present commissioners have also been very fair to me and continued my part-time salary at the same figure. We were all well satisfied until Mr. Stremmler again raised the question.

TWO ABLE AIDES

"I am assisted in my work as county director by two very able assistant county directors, Roger Myers and C. A. Lediard, as well as by a volunteer local director in every borough and in all but two townships. "I dispute seriously that the county is 'getting behind' as Mr. Stremmler is quoted as saying. Fallout shelter supplies have been delivered to 10 selected shelter areas, with five more sets in storage. Three sets of those in storage are awaiting a

Park Staff Here Receives Citation

The Gettysburg National Military Park has received a citation for special services to handicapped persons from the New York Services for the Orthopedically Handicapped.

The citation is "in recognition of your outstanding service which helped our agency in its program for the handicapped." Several busloads of handicapped persons came here for a battlefield visit during last year, some of them in wheel chairs. It was in appreciation for the help given by the park staff in handling these tours that the citation was issued.

In announcing receipt of the citation, Supt. Kittredge Wing said the park provides tours of the battlefield and special service to all handicapped groups.

MISS HENRY IS HONORED FOR S.S. SERVICES

Miss Alma Henry, a Church School teacher for more than 56 years, was given special recognition in the Palm Sunday worship service at St. John's United Church of Christ in Fairfield. The members of the congregation and the Church School joined in honoring Miss Henry for her "service and influence."

Miss Henry, after a few years of teaching in the Church School of Trinity United Church of Christ, Cashtown, moved to the Fairfield area and taught in the Nursery department of St. John's until her retirement last September.

For many years, Miss Henry presented New Testaments to her pupils as they were promoted to the kindergarten department. A fund has now been established by the Church School, the interest of which will be used to purchase Bibles for presentation to the pupils of the Church School as they are promoted from the Nursery. This fund is known as the Alma Henry Bible Fund and Bibles will be presented in her honor. The fund is now open to all members and friends who wish to make contributions. These contributions can be sent to Mrs. Glenn Deardorff, Fairfield R. 1, church school treasurer, or to Kenneth Ickes, Fairfield R. 1, church treasurer.

GIVEN BIBLE, PLAQUE

A Bible was presented to Miss Henry. The Bible bore this inscription: "In recognition of your many years of Christian service. This Bible is symbolic of the Bibles to be presented annually

SNOW HEAVIER EAST OF HERE

Adams County escaped with minor damage to utility lines from Saturday's wet, clinging snow that reached eight inches in the extreme eastern part of the county but York and Lancaster counties received heavier snow and a great deal of damage to utility lines resulted.

Metropolitan Edison Company had no trouble in the Gettysburg district but sent crews to York to help get lines back into service after snow-laden limbs and trees fell across power lines. Up to 20 inches was reported in some parts of York County.

Adams Electric Cooperative reported very little trouble in Adams County but their men were out until 1 a.m. Sunday in northern and southeastern York County. The United Telephone Company had no service calls in the Gettysburg district because of the snow.

State Highway snow plows, which began work Saturday at 11 a.m., continued clearing slush from highways until about 10:30 a.m. Sunday although the snow stopped in the early morning hours.

Saturday's snow, coming on the second day of spring and the day before Palm Sunday, recalled for many the Palm Sunday snow of 1942 when all snow records for March were shattered with a two-foot fall here and more than that in the mountains. The date was March 29.

POSTS \$500 BAIL

Robert C. Green, Waynesboro R. 4, has posted \$500 bail with Justice of the Peace Robert P. Snyder to appear for court on a charge of desertion and nonsupport brought against him by his wife, Catherine L. Green. The arrest was made by Fairfield Constable Wilbert Flemming.

UNDERGOES TRAINING

Private Rodney J. Starnes, 22, son of Mr. and Mrs. Cornelius S. Starnes, York Springs R. 2, is undergoing basic combat training at Fort Jackson, S. C. He is assigned to Company B, 5th Battalion, 1st Training Brigade of the U.S. Army Training Center, Infantry.

SERVICES FOR HOLY WEEK TO OPEN THURSDAY FOR CATHOLICS

Services in St. Francis Xavier Catholic Church during Holy Week were announced at Sunday Masses by Rev. Fr. Joseph P. Kealy, pastor, as follows:

Low Mass will be celebrated at 8 o'clock Holy Thursday morning. A Solemn Mass and procession will be offered at 7:30 p.m. The traditional adoration at the Repository will continue throughout the night and on Good Friday until 7:30 p.m. Parishioners selected their hour of adoration Sunday. Some members of the parish will be in the church throughout those hours.

On Good Friday there will be Stations of the Cross and blessing with the relic of the True Cross at 2 p.m. A solemn liturgical action will take place at 7:30 p.m.

CONFESSION HOURS

On Holy Saturday the Easter vigil service will be held at 10:45 p.m. followed by a Solemn Mass at midnight.

Easter Sunday Masses will be at 6, 7:30, 9, 10:30 and noon.

Confessions will be heard as follows: Wednesday, 3:30 to 5 and 7 to 8:30 p.m.

Holy Thursday, 3:30 to 5, 7 to 7:25 p.m. and after evening Mass.

Good Friday: After the 2 p.m. services.

Holy Saturday, 3 to 5 and 7 until 8:30 p.m.

In his annual pre-Easter message Rev. Fr. Kealy said:

"Holy Week commemorates the sacred passion and death of our Blessed Lord. It is the most solemn part of the ecclesiastical year.

"Serious meditation on the value of the immortal soul, eternal destiny and Christ's sufferings and death should occupy our attention.

"The schedule of Holy Week services offers you many opportunities to participate in the last days on earth of our Blessed Saviour. Don't neglect these opportunities.

Special Services At Trinity Church

Holy Week services at Trinity Reformed Church will begin at 7:30 p.m. Wednesday when there will be a service preparatory to the Holy Communion. The pastor, Rev. Dr. Howard Schley Fox, will officiate and preach the last sermon in the series for Lent on the miracles of Jesus entitled "Must Christ Be Physically Present to Heal?"

On Maundy Thursday the Holy Communion will be celebrated commemorating the institution of the Lord's Supper. The sermon theme will be "The Last Supper." On Good Friday the congregation will join in the union service at the Presbyterian Church. Dr. Fox will preach the sermon on the third Word from the Cross.

The Good Friday service will be held at Trinity Church in the evening. This is a service of reconciliation to the Christian enterprise. There will be reception of new members by letter of transfer. The sermon in the parish hall theme will be "The Terrible Beauty of the Cross." The Altar Guild will tender a reception in the parish hall following this service to the new members received since last Easter.

Music Workshop Is Planned Here

At a recent dinner meeting of the Adams County Music Education Association, plans for an inservice music workshop were announced.

The workshop will be held April 18 at the Eisenhower School and will be sponsored by the association for all elementary classroom teachers. Two music educators, Miss Virginia D. Austin, of Temple University, a consultant for Follet Book Company, and Dr. Margaretta A. Carey, coordinator of the arts, bureau of general and academic education of the Department of Public Instruction, will attend.

Miss Austin will present new materials and procedures for the classroom music period. Dr. Carey, who was responsible for the formation of this curriculum, will present and discuss the new Pennsylvania music curriculum.

AUTO HITS POLE

Edward Sharratt, 23, Gardners R. 2, was treated at the Warner Hospital for minor injuries received Saturday evening when the car he was driving skidded during the snowstorm and struck a telephone pole. He was treated for contusions of the right side of the head, laceration of an eyebrow and upper lip, and abrasions to the nose, right side of the face and right hand.

Receive \$3,000 For Memorial On Battlefield

RICHMOND, Va. (AP)—The United Daughters of the Confederacy received a \$3,000 check on Sunday from the Virginia Civil War Commission toward the erection of a Confederate states battlefield memorial at Gettysburg, Pa.

The project, cosponsored by the UDC and the Sons of Confederate Veterans, will cost an estimated \$36,000, with similar contributions being made by other former Confederate states and some border states chipping in \$1,000 each.

Mrs. Robert Hamilton Smith of Philadelphia received the check from James J. Geary, executive director of the Virginia Commission.

National Park Superintendent Kittredge A. Wing said today, "The Park service is looking forward to the erection of this memorial, perhaps this fall." He said that the site tentatively selected by Mrs. Smith is at the extreme southern end of the Confederate line in the area of the Alabama Memorial on South Confederate Ave.

NEWMAN CLUB HOSTS CHURCH UNITS SUNDAY

Rev. Fr. James Mulligan, professor of fundamental theology at Mt. St. Mary's College, Emmitsburg, Sunday evening presented a fellowship lecture sponsored by the Newman Club of Gettysburg College to members of the student clubs of the Lutheran, Presbyterian and Methodist Churches in Christ Chapel at the college. His subject was "Salvation Is Impossible Without the Church." He was introduced by Michael Codori, president of the Newman Club. He was accompanied by Monsignor George Mulcahy, rector of Mt. St. Mary's Seminary.

Guests included Rev. John W. Vannordall, Gettysburg College chaplain; Rev. Dr. Robert W. Koons and the Lutheran Student Club, Rev. Robert A. MacAskill and the Presbyterian Student Club, Rev. Donald H. Treese and the Methodist Wesley Club, Dr. Eric Gritsch, professor of church history at the Lutheran Seminary, and Rev. John Wildernan, chaplain of the Newman Club. Mr. and Mrs. Kenneth Rinehart also accompanied the Wesley Club.

TRACES CHURCH CONCEPT

The speaker began with the ecclesiastical concept of the term "Mystical Body" in the writings of St. Paul, and proceeded to draw out the analogy of the Church as the Mystical Body of Christ, and said that salvation is impossible outside the context of the Church. He described the three-fold bond of unity, sacraments, faith and submission to the apostles and their successors, as the criterion of membership in the Church. "These bonds give rise to a visible Church," he said. He showed the basis of the Gospels for the Pauline concept of the Church. Following his scriptural presentation, he described the Mystical Body of Christ as it is presented in Pope Pius XII's "Mystici Corporis Christi."

Driver Is Fined On Three Charges

National Park Chief Ranger John Rogers reported today that William E. Mallett Jr., Truesdale Lake, South Salem, N.Y., a student at Gettysburg College, has been fined \$40 by United States Commissioner Francis J. Yake Jr. on charges of speeding and two stop sign violations on the battlefield.

Park Ranger Emless Nett, in prosecuting the case, charged that on the night of February 13 Mallett was observed driving 50 miles an hour in a 25-mile an hour speed zone. In an attempt to evade being stopped by the ranger, Mallett allegedly failed to stop at the stop signs at the intersection of Reynolds Ave., and U. S. Highway 30, and Reynolds Ave. and Route 116.

Mallett was apprehended on W. Middle St. and pleaded guilty to the charges.

20 Seamen Are Rescued From Blazing Freighter

SAN JUAN, Puerto Rico (AP)—Twenty seamen were rescued from the Caribbean Sunday night after abandoning the blazing freighter Beth, owned by a New Yorker, and skippered by his brother.

The Liberian freighter World Jonquil picked up the men from their lifeboat and headed for a rendezvous with the Coast Guard cutter Aurora, which was dispatched to bring them to San Juan. They were due today.

All the survivors were reported in good condition. Among them were George Markakis, the master, and the chief engineer, Alexander Markakis, brothers of the owner, Andreas Markakis of New York.

The 2,300-ton Beth, which flies the Panamanian flag, was reported about to sink as she

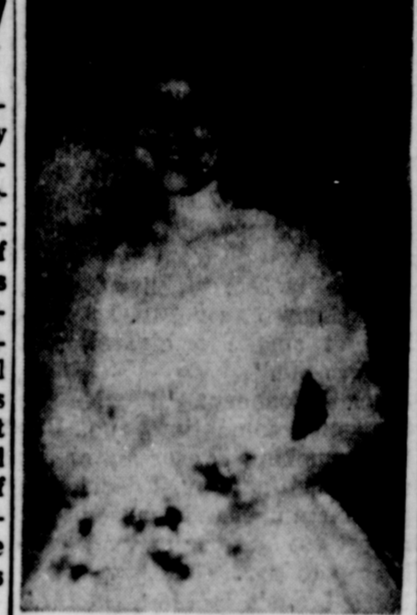

Moose To Conduct Carlift On Easter

For the 11th year the civic affairs committee of the Moose Lodge will conduct an Easter carlift to transport residents of Adams County to the church of their choice on Easter Sunday if they have no transportation available, especially the aged and physically handicapped. Henry Herring, chairman, said that a call to the Moose Lodge before Saturday noon will insure a car or cab calling at the person's home to take them to church. The Centennial Taxi Cab Co. will donate their cabs for this service.

MISS TROSTLE WED SUNDAY TO K. M. TAYLOR

The marriage of Miss Sandra Nadine Trostle, daughter of Mr. and Mrs. G. Walter Trostle, York Springs, to Kenton M. Taylor, son of Mrs. Ivan C. Taylor, York Springs, and the late Ivan C. Taylor, was solemnized at the Chestnut Grove Lutheran Church Sunday afternoon at 4 o'clock by the Rev. Amos D. Meyers, who performed the double-ring ceremony.

The church was decorated with palms and pink and white flowers.

MRS. TAYLOR

William Taylor, brother of the groom, the organist, gave a 15-minute recital and played the traditional wedding marches. The acolyte was Roger Trostle.

Given in marriage by her father the bride wore a floor-length gown of Chantilly lace over taffeta. The fitted bodice of lace had a square neckline trimmed with iridescent sequins and seed pearls, long sleeves tapering in points over the hand. The front of the skirt had panels of lace over taffeta. The full back was designed with tiers of lace flowing into a chapel train. Her imported silk illusion veil fell from a crown of seed pearls and crystal drops. She carried a white Bible topped with a white orchid.

EXPECT 2,000 AT YOUTH DAY PROGRAM HERE

The annual Youth Day pilgrimage of the Pennsylvania Elks will be made to Gettysburg on April 25 it was announced at a meeting of the local Youth Day committee, and several members at the state committee Sunday afternoon at the local lodge by G. Noel Flynn, chairman of the local committee and a member of the state committee. Flynn and Norman C. Bachelor, of Bedford, state chairman, copresided.

Each Elks lodge in the state will select high school students under their own qualifications and finance their trip to Gettysburg for the all-day affair. They will also finance the transportation cost and the meal to be served.

WON FIRST PRIZE

The Pennsylvania program last year, presented in a large scrapbook compiled by Bachelor, won first prize at the national Elks convention in San Francisco.

As outlined by Flynn and Bachelor Sunday afternoon the program this year will include the following:

The high school students from each city where on Elks lodge is located will arrive at the Gettysburg High School between 10 and 10:30 a.m. They will be transferred to buses and taken on a guided tour of the battlefield. The tours will be staggered to permit one group of students to be served lunch in the school cafeteria while others are touring the field. The first luncheon serving will be at 11:30 a.m. All the visiting students will register at the high school.

PONY EXPRESS RIDERS

Between noon and 12:30 the 12 Pony Express riders from Bedford will arrive at the Eternal Light Peace Memorial where an informal welcome and reception will be extended them. Bachelor said that between 1,600 and 2,000 students are expected to participate in the Youth Day program.

Following the battlefield tour and lunch a program will be presented in the school auditorium. It will include a brief address of welcome by Major William G. Weaver, an address by state President H. Beecher Chambers, of State College, a Lincoln impersonation feature and a skit, the nature of which will not be announced until it is introduced at the program.

Following this there will be a record hop at the school. This is the third consecutive year that the Elks selected Gettysburg for this program. It is the opinion of state officers that this is the "logical place to hold this event."

ASK JUDGMENT IN SEVEN STARS EQUITY ACTION

A motion for judgment in the equity action brought by a number of Seven Stars property owners against Hercules Alcor Chemical Co., and John D. Settle and Robert H. Shull, was presented to the Adams County court Saturday.

Attorney Donald G. Oyler in the motion for entry of judgment against Hercules Alcor and the owners of the building in which it is housed, asked the court to enter judgment against the defendants and in favor of those who brought the equity action: Kenneth E. and Norm A. Hess, John L. Cauffman, Luther M. and Emma J. Deane, Dean E. and Beatrice G. Carey and J. Calvin and Grace M. Shank.

The matter pertains to alleged damage to homes and danger to health caused by emissions of a smoke from the plant located along the Lincoln Highway at Seven Stars.

According to Attorney Oyler's motion for judgment, the case was stated September 25, 1963; in October the matter was removed to the U. S. Middle District Court, then returned to the Adams County court last December. Attorney Oyler claimed that in its answer, under the Pennsylvania rules, the denial made by the company were in effect admissions and asked the court to find in favor of the plaintiffs "since all of the allegations bearing on the plaintiffs' cause of action against Hercules Alcor are admitted as set forth."

The court indicated it will set a date for argument on the matter.

NAME COUNCILMAN

Paul E. Miller was appointed a councilman in York Springs by the court on petition by the mayor and other councilmen of York Springs.

Miller was named to fill the unexpired term of Lester M. Wadel Jr. who was elected November 7, 1961, and moved from the borough in October, 1963.

The court granted Joseph Leon Hagerman, 524 North St., McSherrystown, a divorce from Helen Louise (Rill) Hagerman, Carpenter, Ill. The couple wed May 1, 1946. Desertion since December 11, 1956, was alleged.

Present Play At Mennonite Church

The Mennonite Players of the Fairfield Mennonite Church presented the play "Cry Dawn in Dark Babylon" by P. W. Turner to a full house at the church Sunday evening. The play is a sequel to "Christ in the Concrete City" produced by the Players last year. It is about death, resurrection and the church and centers around the Joneses who have not been able to adjust to the death of their young daughter and the Smiths who bring them comfort because they kept their faith through a similar situation. The cast, directed by Gary Bechtel, included the following: priest, the Rev. Gerhard Klaassen; Mr. and Mrs. Jones, Bechtel and Mrs. Maybirt Williams. A speaking chorus comprised Delmar and Tynia Richardson, Michael Smith, Mary Roth and Jane Deardorff. The Richardsons played the Smiths. The stage crew was Arthur Roth and Eugene Sowers handled the special lighting to good effect. This play was the last in the series of Fairfield Community Lenten services, sponsored by the ministerium there, although the Players have been asked to repeat the production at several places during the coming weeks.

DOG OWNERS CHARGED

Justice of the Peace Robert P. Snyder has sent 10-day notices to five counties that they have been charged before him by the dog law enforcement officer, Martin R. Sheets, with having unlicensed dogs. Those charged are Weldon D. Shank, Fairfield R. 2; Peter McDeldown, Fairfield R. 2; Lawrence Rentzel, Gettysburg R. 4; Calvin Kopp, Gettysburg R. 4, and Stephen Schachle, Gettysburg R. 4.

SPRING SNOW BRINGS SERIES OF ACCIDENTS

Saturday's snow, turning to slippery slush on the highways, led to a number of auto accidents throughout the county.

The greatest amount of damage among accidents reported by the police occurred at 4:15 o'clock Saturday afternoon two miles south of Hanover on Route 94 when a car skidded off the road and into a house.

Police said Bradley E. Herr, 18, Hanover R. 3, was driving north when he lost control of his auto in the snow and it went off the west berm and crashed into the front porch at the home of Sterling Jones, Hanover R. 2. Police estimated damages to the porch at \$1,200 and to the car at \$500. Herr escaped without injury, according to the officers.

SKIDDING CAR CRASHES

Edgar J. Manetta, 21, Linden, N. J., who came here to visit the battlefield, wound up paying a \$10 fine and costs to Justice of the Peace John Whitman on a charge of failing to yield the right-of-way after his auto skidded across the new Route 15 by pass seven miles south of here at 6:20 o'clock Saturday night.

Police said Manetta's northbound car skidded into the southbound lane and collided with a sedan being driven south by Jane McCulloch Johns, 37, Thurmont R. 2. Damage was \$400 to the Manetta car and \$250 to the Johns vehicle.

Two persons were hurt. Mrs. Johns was removed to the office of an Emmitsburg physician by Emmitsburg Policeman John Law suffering from a possible broken arm. Louise Gorman, 18, a student at St. Joseph College, Emmitsburg, was removed to the Warner Hospital here for treatment to a cut shoulder.

NEW UPSURGE IN SCRANTON PRESTIGE SEEN

HARRISBURG (AP) — Gov. Scranton's success in pushing his unemployment compensation plan through a reluctant legislature has his backers talking in terms of enhanced Republican presidential prestige.

Scranton, meanwhile, was waiting for the Justice Department to doublecheck the legislation against possible constitutional conflicts before signing the bill into law.

A department spokesman said Scranton would get the bill "only after we have satisfied ourselves that there are no flaws."

FACES COURT TEST

The reason for the extra-close scrutiny of the measure is that organized labor has indicated it plans to take a constitutionality test to court.

State AFL-CIO president Harry Boyer declined comment Sunday on a report that labor was preparing its case based on the state's prohibition against class-based taxes.

The governor can be expected to sign the legislation immediately after receiving it with justice's stamp of approval.

The bill was sent to the governor Friday night when one Democrat joined 105 Republicans in voting for the measure.

TUMULTUOUS SESSION

The vote climaxed a tumultuous session which saw all but 14 Democrats walk to the rear of the chamber and refuse to vote on the issue.

The rebel Democrat was Harold B. Rudisill, a Hanover attorney.

Later it was learned that Rudisill and Rep. Cecil K. Leber, knight, R-Cambria, both voluntarily hid out for about four hours before the debate to escape pressure to change their votes.

Majority Whip Morton H. Fetter, Montgomery County, said both "were getting pretty worn by pressure brought to bear on them by people interested in opposing the bill."

Add 2,000 Trout To Local Streams

Fifty members of the Adams County Fish and Game Association put 2,000 trout into Little Marsh and Marsh Creek Sunday afternoon to complete their pre-season stocking program.

The fish were raised over the last year at the hatchery established by the Fish and Game Association at its headquarters along the Jack Rd. near Orrtanna.

The placing of the 2,000 fish Sunday brought to more than 10,000 the number of trout put in streams of the county during the last two weeks from the Fish and Game Hatchery preceding the opening of the trout season April 15.

About 4,000 fish remain in the hatchery and the association is considering placing them in streams sometime after the season has been opened.

LOST AND FOUND
Borough police are looking for owners of two sets of sun glasses, one for a man and the other for a woman, and a set of car keys with a metal strip bearing the legend "WGL-TV," all of which were turned in to the police over the weekend by the finders.

TRUCK ON FIRE

Fairfield firemen were summoned this morning shortly after 10 o'clock to a truck on fire at Zora. The firemen reported at 10:24 that the fire was out and they were returning home.

Gerald R. Walmer and H. Thomas Pyle as masters in the division of property of Nora I. and George D. Wyett in Straban Twp. The couple is divorced and the masters were appointed last November to effect a division of property in connection with a 92-acre farm the couple owned jointly while married. The farm was sold to Robert S. Knox, Gettysburg, for \$15,300. Costs involved in the division were \$1,653.36. The remainder was divided between the couple with each receiving \$6,823.32.

An amendment was handed down by the court in its November 12 order establishing the Mt. Joy Independent School District. The amendment permits immediate carrying out of all matters including imposition of taxes necessary for the district to come into existence July 1.

Attorney Eugene R. Hartman was named master in the divorce action of Eugene Mickley, Gettysburg R. 2, against Jean Mickley, Great Falls R. 1, Va.

DIVORCE MATTERS

Attorney John A. MacPhail was appointed master in the divorce action of Mary Louise (Fleisher) Sloan against Willie Edward Sloan. Attorney Edward B. Bulleit was appointed master in the divorce action of Norman Leroy Humbert Sr. against Rosalie Wyatt Humbert.

The court handed down a rule giving 15 days for the defendant to show cause why an amendment should not be permitted in the complaint in divorce of Rebecca Zinn Schwenk, Baltimore St., against James E. Schwenk. According to the petition filed by Attorney Donald G. Oyler the testimony in the hearing before the master indicated a charge of desertion could be filed and permission is asked to amend the original complaint to include desertion.

Cuban Supporters To Make New Trip

SAN FRANCISCO (AP) — Plans for a second trip to Cuba in defiance of State Department regulations, were announced Sunday by the Student Committee for Travel to Cuba.

Chris Rainsner, a San Francisco State College senior and area chairman of the committee, said the Cuban Federation of University Students offered to pay all expenses of some 500 Americans for the July trip.

So far, said Rainsner, about 40 San Francisco area students have signed up.

SMOKERS IN HOLLYWOOD UNCHANGED

By BOB THOMAS

AP Movie-Television Writer
HOLLYWOOD (AP) — How goes it with the American smoker 10 weeks after the surgeon general's report?

If you judged from a cross-section of Hollywood smokers, not much change has been wrought. To a number of movie personalities I put the question: How are you coming along with your antismoking resolutions, if any?

Here are their replies:
David Janssen: "I quit smoking once and gained 25 pounds. I don't know what caused it, a change of metabolism or increase of appetite. Anyway, I don't want to risk that again."
SHE'S SMOKING MORE

Anne Bancroft: "I find I'm smoking more than ever. I understand the same thing happened to people in England after they were warned about smoking; it just made them more nervous and eager to smoke."

Tony Randall: "Smoking is not a problem with me. I gave it up after I got out of the Army. My problem is getting my wife to quit. I have told her she can smoke only in the bathroom at home. So now she goes to the bathroom much more frequently than a normal human would go. One day she got mad at me and said, 'I'm going to smoke in your bathroom!'"
Donald O'Connor: "I was going to quit, but then I had a television show to do. I was afraid if I gave up smoking it might throw me off my timing. I'll quit next Tuesday."

TURNED TO CIGARS

Peter Lorre: "No, I haven't stopped at all. I figure you get as much damage driving behind a bus as you do from smoking."
Anne Baxter: "I haven't quit, and I know I've got to. I realize I don't smoke a cigarette; it smokes me."

Sean Connery: "I gave up cigarettes some time ago. I've been smoking five or six cigars a day and inhaling. I decided to give them up, not because of the report but because I wasn't feeling up to par. You know something? I don't feel any better."

Rock Hudson: "I can't quit smoking when I'm working. Too nervous. But I have cut down to four or five a day when I'm not working." Quit entirely? I tried it for a month one time and gained 20 pounds."

The United States has returned to Havana the body of a Cuban air force helicopter pilot slain by two defectors when he refused to fly them to Florida.

Also aboard the U.S. government plane was Cuban cadet Sergio Roque, 17, crewman aboard the hijacked helicopter that landed here Friday. He survived the gun battle over the Florida Straits.

NEW DELHI, India (AP)

Prime Minister Nehru has urged Pakistan to join with India in measures to halt Moslem-Hindu rioting which has resulted in some 200 deaths in eastern India.

Nehru made the proposal in a private letter to Pakistani President Mohammed Ayub Khan on Friday, informed sources disclosed today. Nehru was described as greatly concerned that the religious disorders might turn into massacres and provoke new trouble between India and Pakistan.

WASHINGTON (AP)

United Auto Workers President Walter Reuther has blocked a move to have the union's convention pledge its support to Atty. Gen. Robert F. Kennedy for the Democratic vice presidential nomination.

Reuther quickly ruled out of order such a motion Sunday by John M. McCarrell, president of the union's Pittsburgh, Pa., Local 544.

LITTLE ROCK, Ark. (AP)

This city, once torn by racial unrest, faces a demand by Negro leaders for stepped-up school integration.

Signs of dissatisfaction within the Negro community appeared abruptly Saturday night when two anti-segregation groups issued a joint statement condemning Little Rock's integration progress.

WASHINGTON (AP) — President Johnson says the United States is "prepared to review every issue which now divides us" and Panama.

The President gave a detailed statement of his views on the Panamanian dispute in a letter to the Organization of American States, which he read to White House newsmen Saturday.

Hotel Will Give Furniture Away

COLUMBUS, Ohio (AP) — Women will make a "renovation raid" Saturday on the Neil House, landmark hotel facing the Ohio statehouse—with every stick of furniture in 100 rooms up for grabs.

Couches, beds, chairs, desks—anything they can "sit on, grab and claim"—are fair game.

The only charge is \$2 for a brunch in the hotel ballroom, where teams of 50 females will be assigned for 15-minute games of "tag." The tagging will be of whatever furniture they claim, one to a customer, to be picked up later.

The hotel recently came under new ownership which wants to refurbish those 100 rooms of the 650-room structure.

WASHINGTON (AP) — President Johnson appeared unhappy that several news photographers were on hand when he and his wife attended Sunday vespers services at St. John's Episcopal Church in Washington.

"Please, boys, don't," he told them. "Let us come to church in private."

Kapp, Gettysburg, spoke on past activities of the Kitchennettes. A box social was held during the refreshment hour with Mrs. Robert Shaffer as auctioneer. Mrs. Richard Willman, Mrs. Sherman Roe and Mrs. Dale Guise were hostesses.

DEATHS

Mrs. Charles E. Small

Mrs. Ella Veronica Small, 70, wife of Charles E. Small, Hanover, died at 7:45 a.m. Saturday at the Hanover General Hospital, where she was admitted March 6.

A daughter of the late William and Mary Jane Sipling Freed, Mrs. Small was a member of St. Joseph's Catholic Church and was the charter president of the Ladies' Auxiliary of the Hanover Fire Co.

In addition to Mr. Small, she is survived by three sisters and three brothers, Mrs. Roy Pittenburt, Two Taverns; Mrs. Alice Stock, George A. Freed and John Freed, York; Joseph I. Freed, Dillsburg R. D., and Mrs. Bertha M. Hippensteel, Hanover. A solemn high requiem Mass will be held Tuesday at 9 a.m. at St. Joseph's Church, Hanover, following prayers at 8:30 a.m. at the Wetzel Funeral Home, Hanover. The Rev. Richard Zimmerman, assistant pastor, will be celebrant. Burial will be in the parish cemetery. Friends may call at the funeral home tonight, when the Rosary will be recited at 8 p.m.

GETS NEWS OF STORK BY RADIO

A visit by Robert Whitman, Fort Monmouth, N. J., to Washington and Gettysburg over the weekend has been a complete success in more ways than one.

Whitman, brother-in-law of Barton Hoppe, proprietor of Varsity Diner, Carlisle St., is a civilian employed by the U. S. Army Engineers.

Saturday he and another engineer were sent to Washington to test new radio equipment there and at Gettysburg.

Shortly after he left New Jersey, Mrs. Whitman found it necessary to go to the hospital for the anticipated arrival of a child. Whitman found that the radio system worked perfectly from Washington to Fort Monmouth, so well that through a phone "patch" he was able to talk by radio to his wife shortly after she had an infant daughter Sunday morning.

This morning, from the Battle-

field, near the Peace Light, Whitman and his associate found again that the radio system—using only eight watts, worked perfectly and he was able to talk to Fort Monmouth.

Using the same frequency a year ago in a similar experiment, Whitman and his associates were unable to reach Fort Monmouth from the battlefield here using 1,000 watts of power.

UCLA SWEEPS FAVORED DUKE INTO DEFEAT IN NCAA FINAL

By JIM VAN VALKENBURG
Associated Press Sports Writer

KANSAS CITY (AP)—UCLA's swift, quick gang of ball pirates are NCAA champions and unique in the modern era of college basketball because:

1. They did what many said couldn't be done—win without a starter taller than 6-foot-5 and with their two best scorers on the backline.

2. They are the only team ever to take a perfect record into the NCAA title game and still rank distinct underdog. Most coaches and writers picked Duke, with two 6-10 players, but UCLA ripped them apart 98-83 before a record Municipal Auditorium crowd of 10,884 Saturday night.

RANKED BY EXPERTS
Unquestionably, the underdog role ranked the proud Bruins. Kenny Washington, a 6-foot-3 jumping jack who came off the bench with 26 points and 12 rebounds for UCLA, put it this way:

"Maybe this doesn't sound right, but we wanted to prove we were No. 1. We didn't like being everyone's underdogs. We were ready, weren't we?"

All-America Walt Hazzard, the great passer who directed the blistering Bruins, fouled out late in the game with the victory clinched and walked up and down behind the UCLA bench crowing "We can't beat 'em — don't you read the papers?"

NO SURPRISE
Johnny Wooden, the veteran UCLA coach, insisted it was no surprise the Bruins out-rebounded Duke 51-44.

"I've said all along quickness is as important as height in rebounding. We are quick and we can jump. This club has great courage and it came as close to its potential as any I've coached," Wooden said.

UCLA's dreaded zone press harassed Duke, forcing the Atlantic Coast champs to give up the ball 29 times on errors. Most of the time Hazzard, Gail Goodrich and the others simply stole it. A 16-point streak late in the first half erased a 30-27 Duke edge and gave UCLA a 43-30 bulge.

MICHIGAN WINS
Hazzard was voted the tournament's most outstanding player. On the all-tourney team with him were Goodrich, a 27-

BILLY CASPER WINS \$7,500 IN DORAL OPEN

By BEN FUNK

MIAMI, Fla. (AP)—Plump Billy Casper is the latest tournament winner, but 1964 looks like the first year in a decade when no great stars will emerge to dominate the professional golf ranks.

When Casper collected his \$7,500 first prize after fighting off a challenge by Jack Nicklaus on the last green to win the \$50,000 Doral Open Sunday, he became the 11th winner in 11 tournaments this year.

Casper shot a final found 70 for a 277 total. Nicklaus had a 278. Rex Baxter had 71 for 279 and third place. Tied for fourth with 281s were Sam Snead with a final day 71 and Jack Rule Jr. with a 72.

14 WINNERS
During a 14-tournament span reaching back into last year, there have been 14 separate winners.

Never in Professional Golfers Association history has there been such a long period in which no player has won twice.

With Sunday's victory, Casper rocketed from 43rd to fifth place in the money-winning list with a total of \$10,112. In eight earlier tournaments, he had cashed only \$2,612 in pay checks.

Nicklaus, winner of one tournament this year, picked up \$4,000 for second place to stay on top of the money list with \$17,500.

CLOSE TO PLAYOFF
Two strokes behind Casper going to the 18th, Nicklaus dropped his second shot 20 feet from the pin. Casper hit his second into a sand trap at the edge of the green and blasted out to 18 feet.

By sinking his putt for a birdie, while Casper was two-putting for a bogey, Nicklaus could have forced an 18-hole playoff and took plenty of time lining up his shot as the tension mounted.

But the ball missed the cup by two inches and rolled three feet past. Casper then missed his putt but happily accepted the bogey that left him a stroke ahead.

At Harrisburg, in the giant State Farm Show Arena, Uniontown utilized its speed and its strength to their ultimate in defeating the defending Class A champion, Plymouth-Whitemarsh, 62-51, before a packed house of almost 8,000.

MERCER FAILS AGAIN
At Scranton, Mercer was frustrated for the third consecutive year in its bid for the Class B title. The Mustangs dropped a 73-65 decision to unbeaten Montrose.

And at Lewisburg, Conshohocken combined its speed and finesse into one package to outgun previously unbeaten Coudersport, 63-48, for the Class C crown.

For Uniontown, it was its second state championship in three years. Montrose and Conshohocken won their first.

LED BY YATES
The Uniontown - Plymouth - Whitemarsh battle was anybo ballgame until late in the third quarter when buckets by Pat Yates and Stu Lantz gave the Red Raiders a 43-39 lead, one they never lost.

Prior to that, the lead had bounced back and forth nine times.

Yates, a junior, led the Raiders to their 28th consecutive victory this year with 19 points. Three other teammates hit the double figures.

All-state center Ed Szczesny topped the game Colonials with 23, high for the contest.

In the Class B finale, Mercer held a 38-36 edge at intermission, but seemed to tire in the second half.

Montrose went ahead, 56-55, with 5:40 left in the game on a field goal by Al Reimel.

George Yankay and Stu Douglas led the winners with 20 and 20 points respectively.

Fred McConnell topped the losers with 26.

In Class C, Conshohocken had scored with pinpoint accuracy from the field and the foul line to outscore Coudersport in every quarter.

Harry Kitt, 18, Mike Ethridge, 16, and Bob Graham, 14, were tops for the winners while Tom Lyons and Dan Wetzel paced the losers with 13 and 11.

UNIONTOWN IS PIAA CLASS A WINNER AGAIN

By THE ASSOCIATED PRESS

For the winners, Saturday night was one of joy and jubilation. For the losers, it was a night of sorrow and dejection—in some cases, even tears.

But for the fans, it was the night of the thrill-packed PIAA basketball championships and, depending upon where they were, they saw Uniontown, Montrose and Conshohocken come home the victors.

At Harrisburg, in the giant State Farm Show Arena, Uniontown utilized its speed and its strength to their ultimate in defeating the defending Class A champion, Plymouth-Whitemarsh, 62-51, before a packed house of almost 8,000.

MERCER FAILS AGAIN
At Scranton, Mercer was frustrated for the third consecutive year in its bid for the Class B title. The Mustangs dropped a 73-65 decision to unbeaten Montrose.

And at Lewisburg, Conshohocken combined its speed and finesse into one package to outgun previously unbeaten Coudersport, 63-48, for the Class C crown.

For Uniontown, it was its second state championship in three years. Montrose and Conshohocken won their first.

LED BY YATES
The Uniontown - Plymouth - Whitemarsh battle was anybo ballgame until late in the third quarter when buckets by Pat Yates and Stu Lantz gave the Red Raiders a 43-39 lead, one they never lost.

Prior to that, the lead had bounced back and forth nine times.

Yates, a junior, led the Raiders to their 28th consecutive victory this year with 19 points. Three other teammates hit the double figures.

All-state center Ed Szczesny topped the game Colonials with 23, high for the contest.

In the Class B finale, Mercer held a 38-36 edge at intermission, but seemed to tire in the second half.

Montrose went ahead, 56-55, with 5:40 left in the game on a field goal by Al Reimel.

George Yankay and Stu Douglas led the winners with 20 and 20 points respectively.

Fred McConnell topped the losers with 26.

In Class C, Conshohocken had scored with pinpoint accuracy from the field and the foul line to outscore Coudersport in every quarter.

Harry Kitt, 18, Mike Ethridge, 16, and Bob Graham, 14, were tops for the winners while Tom Lyons and Dan Wetzel paced the losers with 13 and 11.

Bucknell Winner Of Swimming Meet

GROVE CITY, Pa. (AP)—A Pennsylvania school—Bucknell—has won the first annual NCAA college division swimming meet.

The Bisons compiled 83 points in the three-day meet, placing first in three events Saturday night.

Bucknell winners in the finals were Phil Thimme in the 1,650-yard freestyle, Phil Reynolds in the 100-yard breast stroke and the 400-yard freestyle relay team. Thimme earlier in the meet had won another event and also was a member of the 400-yard freestyle relay team.

East Carolina was second among the some 40 schools entered with 50 points. Others in the top five were LaSalle 48, Long Beach (Calif.) State 34, and Wesleyan 33.

ADVERTISE IN THE TIMES

EXPECT 15 3-YEAR-OLDS FOR BIG RACE

Although Hill Rise and Northern Dancer stick out like a diamond on a dime store counter, the long range forecast is for 15 3-year-olds to start in the 90th running of the Kentucky Derby at Churchill Downs May 2.

At this stage, with America's most colorful horse race nearly six weeks away, the field figures to include all of the 2-year-old standouts of 1962 with the exception of champion Hurry To Market, who is sidelined with a quarter crack.

Hill Rise, the El Peco Ranch's winner of the Santa Anita Derby, is the choice with Windfields Farm's Northern Dancer, victor in the Flamingo at Hialeah Park and pointing for the April 4 running of the Florida Derby at Gulfstream Park, not far behind in the future book odds.

OTHER LIKELY HORSES
Other likely starters include Calumet's pair of Ky. Pioneer and Kentucky Jug, the Lucien Laurin trained trio of Reginald Webster's National and Traffic and Mrs. Laurin's Repeating, Chieftain from Raymond Guest's Powhatan Stable, Harbor View Farm's Roman Brother and Mrs. Marion R. Frankel's Bupers.

The other starters could come from a group that includes Quadrangle, Mr. Brick, Alphabet, Journalist, Wil Rad, The Scoundrel, Whit's Pride and a number who'll be in the 1 1/4 race just so their owners can say they had a horse in the Kentucky Derby.

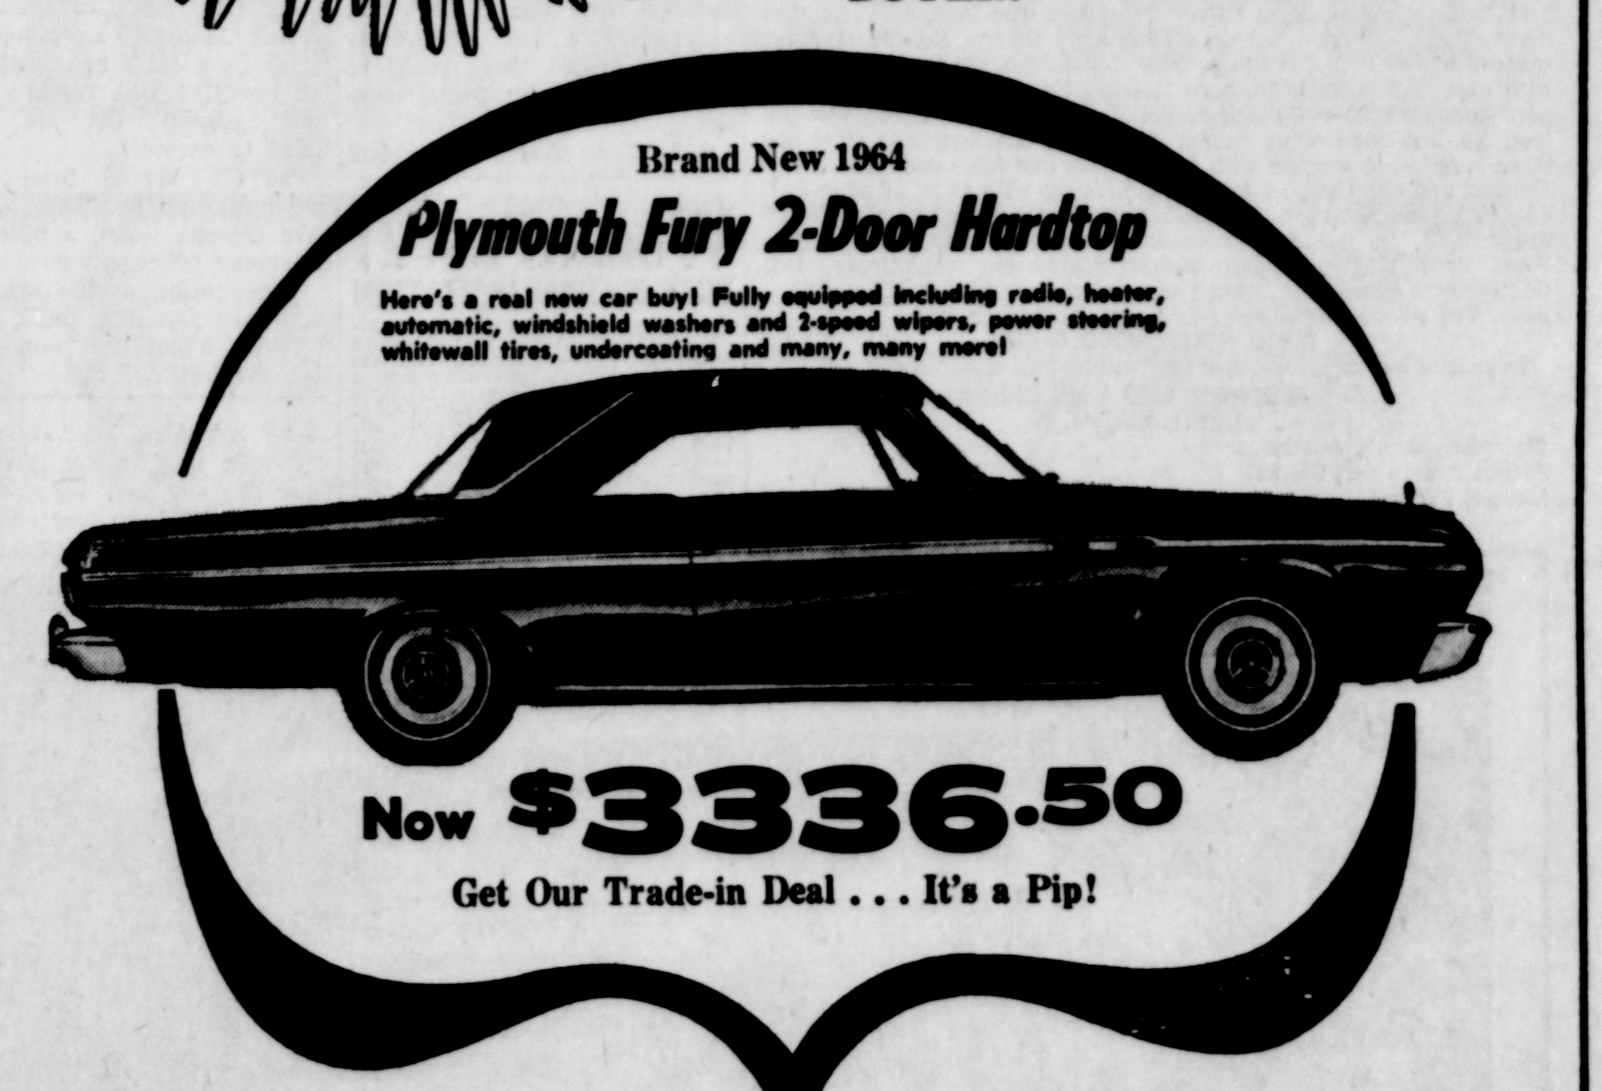

Chieftain put in his bid with a 1 1/4 length triumph over National in the seven furlongs of last Saturday's \$83,000 Governor's Gold Cup at Bowie. Chieftain previously had broken even in two clashes with Northern Dancer in Florida. Bupers was fourth and Traffic sixth in the Cup, which was run in snow and rain.

Major Features Of New Unemployment Measure

HARRISBURG (AP) — Here are some of the major features of the unemployment compensation revisions approved by the legislature.

Financing

Tax rate—Changed from 2 to 4 per cent to 1 to 4 per cent with low-turnover employers paying the lower rate. New firms enter at 2.7 per cent and construction contractors enter at 4 per cent.

Tax base—The amount of annual employee wages upon which the rate is assessed is raised from \$3,000 to \$3,600.

Anticipated increase — The changes are expected to add a net of \$35 million to the fund the first year and lesser amounts in succeeding years, depending on unemployment rates.

Effective date — The taxes, paid entirely by employers, are retroactive to Jan. 1, 1964.

Benefit changes

Effective date — The changes apply only to benefit years beginning before July 1, 1964.

Saving to the fund — The changes are expected to reduce benefit payouts a net of \$28.5 million annually. Tighter eligibility requirements will decrease payouts \$55 million but increases in weekly benefits will offset that by \$24.4 million.

Weekly benefits — Maximum weekly payments will be increased from \$40 to \$45. The minimum weekly payment remains \$10.

Fifty per cent limitation — A claimant may not receive in total benefits an amount more than 50 per cent of wages earned in his base year.

Duration — Thirty weeks is still the maximum for payments, but it is no longer uniform. The 50 per cent of wages limit will have the effect of reducing to as few as 16 weeks the duration of some benefit years.

Qualifying wages — A new table and other changes, in effect, require a claimant to work 18 weeks to be eligible. The table, however, reduces the amount of qualifying wages for weekly benefits of \$25 or more but increased the amount of wages needed for benefits below \$25 weekly.

Seasonal workers — Original proposals to eliminate persons employed in such seasonal industries as resorts, canning and agriculture were eliminated.

But other qualifying provisions work against such claimants.

Second round—A second round of benefits will continue to be permitted provided a claimant can earn the equivalent of 25 days' wages anytime within his benefit year.

Step down — A claimant who fails to earn sufficient wages to qualify for benefits in 18 weeks will be permitted to "step down" the table once to the equivalent of 17 weeks. Present law permits up to six weeks of "step downs." But the new benefit table, with its lower wage requirements for most claimants partially offsets the one step down limit.

Pensioners — Persons forced to retire will have their weekly UC benefit reduced partially. Fifty per cent of Social Security payments, prorated on a weekly basis, will be reduced. Fifty per cent of employer-employee paid pensions will be deducted. A full deduction will be made from pensions financed entirely by employers.

New mothers—Working mothers will be required to work two weeks after the birth of children to re-establish eligibility for benefits unless their employer has a mass layoff or shutdown.

Vacation pay — Persons receiving vacation pay will not be eligible for benefits in periods of plant vacation shutdowns.

Severance pay—Claimants receiving severance pay at termination of employment will not be eligible for UC benefits until their pay is exhausted at their average weekly rate of salary.

Extended benefit weeks—The number of benefit weeks will be extended if 1.75 per cent (about 52,000) of covered workers exhaust their benefits in a 13-week period. The maximum number of extended weeks will be 13, with the highest total weeks fixed at 39.

Search for work—The Bureau of Employment Security is given authority to establish rules to determine whether a claimant is actively seeking work.

Four members of Tennessee's basketball team come from Ohio. They are sophomores Larry McIntosh, Gil Monroe, Howard Bayne and John Jacobs. Jacobs is 6-foot-7.

WIFE PROMISES CONTINUED WAR

HALIFAX, N.S. (AP) — "There'll be another Cyprus when he gets back," said Mrs. Beatrice Lane, whose husband and another Canadian soldier stowed away aboard the Cyprus-bound aircraft carrier Bonaventure.

Cpl. Michael Lane, 31, of nearby Boutillier's Point, and Pvt. Charles Bell, 32, of Halifax, were discovered about three hours after the carrier sailed Wednesday night with troops and supplies for the U.N. peace force in Cyprus.

The pair said they stowed away because they wanted to serve with the U.N. force. An army spokesman said they would be disciplined and returned to Canada.

"I'll start another war right

now," said Mrs. Lane, who was left with six children and another due any day. She said Bell and his wife have four children.

GEORGE REIDY IS NAMED LBJ PRESS AIDE

WASHINGTON (AP)—George Reidy is a friendly, pipe puffing giant of a man who is taking on the almost impossible task of trying to keep both the press and President happy about public relations.

Sunny, cigar-smoking Pierre Salinger suddenly quit this job of White House press secretary Thursday to try for the Democratic nomination for the Senate in California.

With him went Andrew T. Hatcher, the assistant press secretary to the President and one of the highest ranking Negroes in government.

SERVED 3 YEARS

For Reidy there is nothing like the break with the past that there is for Salinger. Reidy has been at President Johnson's elbow as a sort of press attaché the better part of 13 years.

Around the White House he has been one of the Johnson handy men with no clear-cut title. Now he has a title and one of the roughest, most responsible publicity jobs on earth. At times his voice will be the voice of the nation on foreign and domestic policy.

But since he has been so close to Johnson so long, Reidy at times may find that the boss is going to be his own press secretary.

WAS REPORTER

Like Salinger, Reidy is a former newspaperman. At 46, he is eight years older.

Like Salinger, Reidy enjoys good food and, like Salinger, he is on the round side but on a more massive scale.

On orders of Johnson and the doctor, Reidy is scaling down calories and poundage. From 265 or 270 pounds he is about a third of the way to the 200 the doctor recommends.

Reidy still was in a hospital Thursday, recovering from gall bladder trouble and doing some supervised dieting, when he got word of the forthcoming change. He went to the White House for a joint appearance at his first press briefing and Salinger's last.

Salinger announced his own resignation and the appointment of Reidy.

Thanks Thieves For Breaking Safe

PALERMO, Sicily (AP) — Sicilian Prince Gaetano Hardouin di Belmonte has asked police to thank two burglars who broke open his wall safe and fled with \$320,000.

Police recovered the loot. The prince said he had not been able to get the safe open for 20 years and did not know it contained money.

It had been locked since the death of his father.

HOW TO KEEP YOUR FIGURE. Once you have a trim, graceful figure, you cannot keep it for long unless you follow a sane plan of eating and exercise.

ing. A proper diet does more than guard your weight. It also has a direct bearing on firm muscle tone.

Exercise offers you good proportions and limber carriage. And, all in all, that just about sums up an ideal figure.

So if you're in shape, why not stay in shape? These are the basic steps:

● Learn the calorie count that maintains your best weight. The norm is about 2,200 calories a day. Your scales tell you whether that count is right for you, after a two-week trial. Then you can add to it or cut back as need be.

In most instances, a woman should lower her daily intake by 50 calories with each passing decade. It's the best insurance there is against creeping weight.

● In planning menus, place the emphasis on foods with a high protein and vitamin content. Everything lovely about you, including your figure, depends on it.

● Make a habit of exercise—any kind that fits into your daily routine. If you don't think you need it, try touching a knee to your nose before you get out of bed. Or get up from your easy chair without using your hands.

● While you're saving your figure, keep in mind that your program is the modern, healthful way of living.

Today In Washington

WASHINGTON (AP)— In the news from Washington:

FLIERS-RUSSIA: A State Department spokesman has suggested the United States may use travel restrictions on East Germans as a bargaining weapon in attempting to win release of three American airmen shot down over East Germany March 10.

The spokesman, press officer Richard I. Phillips, rejected Friday an apparent Soviet bid to win a form of Western recognition for the East German regime by trying to turn the issue over to the East Germans.

Phillips said "we hold the Soviets fully responsible for this matter."

Indirectly, however, he linked the West's travel restrictions on East Germans to the fliers' release. The East Germans want them eased and Phillips noted that the allies had been discussing a softening of the curbs, but he added, "this is certainly not

COLT ROOKIE RUINS METS WITH TRIPLE

By MURRAY CHASS
Associated Press Sports Writer

The New York Mets may file an unfair child labor charge against the Houston Colts if young John Paciorek continues harassing them.

If that doesn't work, the Mets—whose own youngsters have been unfair to them for two years—probably would contribute to Paciorek's unemployment compensation if the Colts promise to fire him.

The Mets received their second look at the 19-year-old outfielder Sunday and didn't like what they saw. Nor did they like what he did to them.

1,000 IN '63

The rookie from Detroit belted a bases-loaded triple in the first inning, igniting the Colts to a 5-0 victory in the first exhibition game ever between the two victims of National League expansion.

New York pitchers fared somewhat better against Paciorek in his next three appearances at the plate, but the damage already had been done.

Casey Stengel's pitchers were unable to get him out the first time they saw him. That was last year in the last game of the season.

Paciorek, a 6-foot-2, 200-pound righty, socked three singles and was walked three in five times at bat. He scored four runs and knocked in three as the Colts won 13-4. That performance gave him a rare 1,000 batting average for 1963.

GIANTS BEATEN

Elsewhere in exhibition action, the Los Angeles Angels and the Chicago Cubs halted San Francisco's winning ways. The Giants divided their squad and lost an A game to the Angels 3-0 and a B game to the Cubs 14-9.

St. Louis won its eighth game in nine starts, beating the Chicago White Sox 7-5 on two unearned runs in the ninth inning. Detroit's Hank Aguirre and Dick Egan held the New York Yankees to three hits as the Tigers won 6-0.

Cincinnati whipped Kansas City behind Marty Keough's third home run in as many games and the three-hit pitching of Joey Jay and John Tisler. Washington received five innings of hitless pitching from Claude Osteen in its 3-1 triumph against Minnesota.

DODGERS SPLIT

Cleveland scored two unearned runs on Roman Mejias' three-base error and edged Boston 5-4. Manny Mota's inside-the-park home run climaxed a three-run eighth-inning rally which gave Pittsburgh a 7-4 victory over Philadelphia.

The Los Angeles Dodgers split a pair of games, nipping Baltimore 4-3 with its A team and dropping a 13-2 contest to Milwaukee with its B squad.

Four Teenagers Killed In Crash

GREENVILLE, Pa. (AP)—A car, which state police said was traveling at excessive speed, struck an embankment late Saturday night, killing four teenagers and injuring three other occupants of the car.

The crash occurred when the auto failed to negotiate a curve on a rural road about three miles south of Greenville.

John Tarkanic, 18, the driver; Gerald L. Cook, 18, and Ray Depoff, 18, all of nearby Burghill, Ohio; and Barbara Miller, 17, of Fredonia, Pa., were killed.

Albert Morris, 26, of Hadley R. D. 2, Pa., and Walter Butterbaugh, 21, of Greenville were reported in critical condition at Greenville Hospital. Ruth Cox, 15, of Fredonia, was reported in fair condition.

The seven had been to a dance in the nearby village of Reynolds, Pa.

ROYALS GO INTO LEAD IN EAST NBA PLAYOFFS

By THE ASSOCIATED PRESS

Oscar Robertson celebrated being named the most valuable player in the National Basketball Association by leading the Cincinnati Royals to a 127-102 victory over the Philadelphia 76ers Sunday.

The triumph gave the Royals a 1-0 lead in the best-of-five Eastern Division semifinal playoffs.

In the Western Division semifinal playoffs the St. Louis Hawks whipped the Los Angeles Lakers 106-90 for a commanding 2-0 lead in their best-of-five set. The Hawks had beaten the Lakers 115-104 in their first game Saturday night.

31-POINT GAME

It was a close game at Cincinnati until Robertson led a 13-point burst in the second period that broke a 44-44 tie. Oscar finished with 31 points, 10 of which came in the burst that put the Royals ahead to stay. Jerry Lucas added 25 for the Royals.

Hal Greer and Johnny Kerr each scored 21 points for the 76ers, who entertain the Royals at Philadelphia in the second game of the series Tuesday.

Richie Guerin, traded to the Hawks by the New York Knicks early in the season, led St. Louis with 22 points as the Hawks overcame an early 12-3 Laker lead.

BILL RUSSELL JR.

The Lakers, who must win three to survive the series which resumes Wednesday in Los Angeles, stayed in contention until the Hawks outscored them 34-23 in the last quarter. Elgin Baylor led the Lakers with 20.

Robertson received 60 of a possible 85 first place votes and compiled a record total of 362 points on a 5-3-1 basis in the MVP balloting by NBA players who were not allowed to vote.

Big Bill Russell of the championship Boston Celtics, who won the last three years, finished third with 167 points compared with 215 for runner-up Wilt Chamberlain of the Western Division champion San Francisco Warriors.

DON ZIMMER CHAFING AT BIT TO PLAY

POMPANO BEACH, Fla. (AP)—Don Zimmer doesn't intend to let a mere broken left hand prevent him from nailing down the regular third base job with the Washington Senators.

The gutty little guy who wears a silver plate in his head as a reminder of a 10-year-old beaming that almost cost him his life, suffered his latest injury two days before the start of spring training while playing handball.

He has been chafing at the bit ever since. Doctors say it will be another week before he can discard the cast and two more before he may throw a baseball.

VET OF 10 YEARS

"I got to get back in there," he insisted. "There are too many kids out to get my job." Zimmer still looks like a kid himself. It's difficult to believe he's 33 with 10 big league years under his belt.

Washington purchased Zimmer from the Los Angeles Dodgers last June and while he displayed some of his old time batting power, with 13 home runs in 83 games, Don performed miserably in the field.

Nobody was more surprised and disappointed than Manager Gil Hodges, who knew him as a fine defensive player during their days together with the Dodgers.

INJURED ELBOW

"Don't believe all that hogwash about me being a bad fielder," advised Zimmer. "Eighty five percent of my errors came on bad throws. I had a sore elbow. Two days after I joined the Washington club, I took part in a relay contest before the regular game. I hadn't played in 2½ months. On the second throw I hurt the elbow and had to throw underhanded all year."

"I never let on anything was wrong, but Hodges guessed. He asked me about it a couple of times but I shrugged it off. I wanted to play. I never got to play with the Dodgers. That was why I was so glad to get away from them."

CANADIENS WIN 6TH NHL TITLE

By THE ASSOCIATED PRESS

The pride of Montreal sat hunched over in a corner of the festive visitors' dressing room at New York's Madison Square Garden Sunday night and tried to regain his composure.

The Canadiens were celebrating their sixth—and most gratifying—National Hockey League championship in seven seasons. But Charlie Hodge, whose gritty goaltending provided the key to the title, was too shaken to join in the fun.

Hodge, a 30-year-old, 150-pound magician, had just nailed down the Vezina Trophy, hockey's top goalie award, in Montreal's penultimate 2-1 victory over New York on the season's final night. But he couldn't quite believe it.

Hodge finished with a two-goal edge over Glenn Hall of Chicago.

The Black Hawks defeated Boston 4-3 but wound up a point behind the Canadiens. Toronto whipped Detroit 4-1 in Sunday's other finale. Andy Bathgate of the Leafs tied the NHL record of 58 with two assists.

The Maple Leafs play Montreal and Detroit meets Chicago in Stanley Cup semifinal round Thursday.

BRADLEY WINS IN LOPSIDED FINAL CONTEST

By MURRAY CHASS

Associated Press Sports Writer

NEW YORK (AP)—Hearing Chuck Orsborn talk after his Bradley basketball team won the National Invitation Tournament for the third time, a listener could have been excused for thinking the victory had bizarrely affected the Braves' coach.

"We probably have the worst offense in the country," the balding Orsborn said following the surprisingly easy 86-54 romp over New Mexico.

That's like Walt Disney accepting another Oscar and saying his cartoons are the worst in Hollywood.

MOST LOPSIDED

The game was the most lopsided final in the NIT's 27-year history. The Lobos entered it Saturday with one of the best defensive teams in the nation, having allowed 56.2 points a game.

But let Orsborn continue. "We don't have regular patterns," he explained. "I have boys who like to run, jump and shoot, get the ball in the hole. We like to have a little dribble as possible."

Whatever kind of offense it was, New Mexico couldn't stop it. At the same time, the second-seeded Braves completely stymied the Lobos' offense.

THEIR FIRST NIT

Ira Harge had been expected

to carry the fourth-seeded Lobos, who were in their first NIT. But the 6-foot-8 star played only 18 minutes, getting three personal fouls in the first eight minutes and adding the final one early in the second half.

Even while Harge was in the game, though, Bradley's Joe Strawder prevented him from getting the ball too often. Refusing to accept all of the credit, the 6-foot-9 Strawder explained what he called New Mexico's mistake.

"They should've tried to get the ball into him from the side. I wasn't on," he said. "I couldn't have beat him out over there. He played me the same way I played him, but our guys got the ball to me around him."

TART IS MVP

Orsborn praised Strawder, whom he had criticized for weak play in Bradley's quarter-final triumph against St. Joseph's.

"I think if he had played as well in the first game as in the last two he might have got that trophy Tart got," the coach said.

He referred to them as valuable player award won by Bradley's Levern Tart, 6-foot-2 whiz who led the Braves with 54 points in three games.

Tart also headed The Associated Press' all-tournament team. Others named were Harge, Harold Hairston of NYU, Steve Courtin of St. Joseph's and Mike Silliman, whose jump shot with eight seconds left brought Army a 60-59 decision over NYU for third place.

WBA TO STRIP TITLE FROM CASSIUS CLAY

By MURRAY CHASS

Associated Press Sports Writer

NEW YORK (AP)—The move of the World Boxing Association to strip Cassius Clay of his heavyweight title may lead to a "big, big mess."

Ed Lassman, president of the WBA, said in Miami, Fla. Sunday that Clay's personal actions have made him a "detriment to the boxing world" and that he was polling the WBA's 20-member executive committee to declare the title vacant.

Lassman said that only 11 votes were needed and that he expected to announce a "favorable vote" Friday.

The champ himself—or Muhammad Ali as he prefers to be called—countered with the assertion that "they're going to cause a big, big mess all around the world."

Lassman's action, virtually on the eve of Tuesday's opening of a Senate boxing probe in Washington, surprised pugilistic circles almost as much as Clay did in dethroning champion Sonny Liston in their title bout Feb. 25 at Miami Beach. Liston failed to come out for the seventh round, claiming an injured shoulder.

Clay, who has acknowledged that he is a member of the Black Muslims, a Negro supremacy group, claims he is "the saviour of boxing" and is not a "poor example for the youth of the world" as Lassman contends.

"I don't drink, I don't smoke,"

he said at his New York hotel. "I've never been caught stealing. I don't run around with women and I don't carry pistols."

"I've never been in any kind of trouble. I'm an Olympic gold medal winner for this country and I won the heavyweight title fair and clean."

Should the WBA declare the heavyweight title vacant, it would be unprecedented. In 1959 the WBA, then known as the National Boxing Association, lifted Sugar Ray Robinson's middleweight title, but that was because Robinson did not defend within a stated time.

EARLY REACTION

Chris Dundee of Miami, co-promoter with Bill MacDonald of the Liston-Clay bout, set the tempo of first comments on Lassman's action.

"I've been in this business 40 years and never have heard of anything like this. How can you take away a man's title when he's not in the ring? In what way could he have hurt the youth of the world?"

Joseph Triner, chairman of the Illinois Boxing Commission, said, "I'm a firm believer in boxing titles being won in the ring and not being taken away in some office."

Franklin B. Wildman Jr., chairman of the Pennsylvania State Athletic Commission, said he thought Lassman's action was "premature" adding, "I would not vote until we had more evidence."

Jim Maloney of the Cincinnati Reds turned in the highest single game strikeout total in 1963. On May 21 he fanned 16 Milwaukee Braves in a nine-inning game.

27 KILLED IN PA. ACCIDENTS OVER WEEKEND

By THE ASSOCIATED PRESS

Four teen-agers were killed on Saturday night in an automobile collision near Greenville in Northwestern Pennsylvania where their car failed to negotiate a curve in the road, struck an embankment and overturned.

The accident pushed Pennsylvania's weekend traffic fatality count to 17.

In addition, three children died in fires.

The tabulating period began at 6 p.m. Friday and ended at midnight Sunday.

YOUTHFUL VICTIMS

The victims included:

Pittsburgh — David Raspani, 16, of the city's Westwood section, was killed Sunday night in a one-car crash on Route 60 near suburban Crafton.

Greenville — John Tarkanic, 18, the driver; Gerald L. Cook, 18, and Ray Depofi, 18, all of Burgin, Ohio; and Barbara Miller, 17, of Fredonia, Pa., killed in the crash of their car, which rolled over an embankment along a rural road near Greenville shortly before midnight Saturday night.

New Castle — Loretta Ann Moffett, 22, of New Castle R. 3, and Keith Foster, 19, of New Wilmington R. 1, killed Sunday in a two-car collision on Route 18 seven miles north of New Castle.

DIES IN FIRE

Bradford — Bernard Hodgson Jr., 25, of Limestone R. 1, N.Y., killed Sunday when his car ran off a highway near Bradford, plunged over an embankment and then was hit by a train.

West Chester — Gilda Beachem, 33, killed Sunday in a fire that swept through a two-story stucco house in West Chester.

Kittanning — Paul R. Fennell, 19, of Natrona Heights, killed Sunday in a two-car collision near Kittanning.

Harrisburg — Mrs. Julia Steinberger, 63, of Steelton, died Sunday of injuries suffered when her car collided with a tractor-trailer at a Swatara Township intersection.

CHILD IS BURNED

Pittsburgh — Carol Jean Came, 22, North Braddock, killed in an automobile crash Friday on the Penn Lincoln Highway.

York — Richard J. Stonestifer, York fireman, died Saturday when his car crashed into a utility pole.

Hickox — Joyce Springer, three, of Genesee, died Friday in a fire at her home.

Brockport — Clarence P. Zim-

Union Protests Weak Chicken Soup

WASHINGTON (AP) — The Amalgamated Meat Cutters and Butcher Workmen spoke up today for more chicken in chicken soup.

When the housewife serves prepared chicken soup she shouldn't have to "turn to a microscope" to find the chicken in it, the AFL-CIO union told an Agriculture Department hearing.

The union protested that some soups sold in dehydrated form contain less than 1 per cent of poultry meat. The union says chicken or turkey soup should contain at least 2 per cent poultry meat on a ready to serve basis.

TWO PA. MEN KILLED IN ILL.

AURORA, Ill. (AP) — Two Pennsylvania men have been killed in a crash of two semi-trailer trucks on U.S. 30.

Dale Fisher, 27, of Hollidaysburg, died Sunday from injuries suffered in the accident Saturday. Killed Saturday was Leo Reed, 36, of Tyrone, driver of one of the rigs. Fisher was his helper.

Warren Scruggs, 26, of rural Appomattox, Va., driver of the second truck, was reported in critical condition.

Police quoted witnesses as saying Reed's truck veered off the highway momentarily and then jack-knifed as it returned to the pavement west of Aurora. They said a trailer section had swerved into the path of Scruggs' oncoming rig.

Two rules to remember in steaming: Have the water come half-way up the sides of the mold and keep the water boiling steadily but not vigorously.

merman, 56, of Ridgway, killed Saturday while walking along Route 219.

TWO BOYS DIE

Crescent Heights — Arnold Johnson, three, died Saturday in a fire that destroyed his family's house.

Hickory Township — Chester Snyder, 38, Hickory Township, killed Saturday in a two-car crash at an intersection.

Washington — Jean Elias, 38, of Wheeling, W. Va., killed Saturday when she was thrown through the windshield of a car on Route 18, six miles north of Washington.

Falsington — Frank Huey, 17, and Edward Ross, 19, both of Trenton, N.J., killed Saturday when their car hit a concrete bridge support on U.S. Route 1 in Falls Township.

ASK CHANGE IN DOE LICENSE

HARRISBURG (AP) — The Pennsylvania Federation of Sportsmen's Clubs urged the General Assembly this past weekend to adopt standardized procedures for issuing doe licenses in the Commonwealth.

At the same time, the sportsmen, meeting in their spring convention in Harrisburg, heard a progress report on a survey of the Susquehanna River to determine its suitability for shad.

The convention closed Saturday. The delegates voted to return to Harrisburg in September for their fall convention.

The federation unanimously approved a resolution calling upon the legislature to adopt uniform regulations for the sale and distribution of doe licenses across the state.

The rush to get a doe license is an annual problem throughout the state. Licenses are distributed to each county on a rigid quota basis and almost annually the supply does not meet the demand.

The federation's resolution acknowledged that distribution has "been a serious problem for a number of years."

It attributed this to the county treasurers who "set up different rules and regulations" for distribution.

The federation's game committee suggested that only mailed applications be accepted, with a deadline for their receipt.

WASHINGTON (AP) — W. A. Boyle, president of the United Mine Workers, says President Johnson should fire Secretary of the Interior Stewart L. Udall if Udall doesn't rescind his order permitting increased imports of residual oil.

In a statement Sunday, Boyle said Udall's order to increase residual oil imports by 23 million barrels to 232 million a year would destroy the jobs of about 2,000 coal miners. Udall's order is effective April 1.

Udall predicted in a statement an increase of 10 per cent in coal production this year.

He said, however, the coal industry is now highly automated and the increasing effect of automation would be such that the expected gain in output would not result in a significant increase in coal mining jobs.

Boyle said nearly 300,000 American coal miners have lost their jobs since 1957. He said the total schedule of 232 million barrels of residual oil imports is equivalent to 56 million tons of coal, 22,000 jobs of coal miners and about 1,000 jobs of railroad men who transport coal.

PHILADELPHIA (AP) — The Sun Oil Co. plans record expenditures of \$151.2 million for modernization, expansion and research, Chairman J. Howard Pew predicts in the annual report to stockholders released Monday.

The company's expenditures for 1963 were \$90.5 million. Pew said the firm began 1964 with "most of its significant operations moving ahead at record levels" and he predicted this year will be a year of promise.

WASHINGTON (AP) — Former Vice President Richard M. Nixon left Sunday night on a business trip which will take him around the world in three weeks.

Nixon said he will take "a holiday from politics," but "will attempt to see how our foreign policy is operating."

PHILADELPHIA (AP) — Pat King, of Sunbury, swam the 100-yard freestyle in 1:00.2 Saturday to win the Junior Middle Atlantic AAU Women's swimming title in that division. Another Sunbury resident, Alison Heiter, placed second to Maureen Dougherty, Philadelphia, in the 100-yard backstroke junior championship.

HARTFORD CITY, Ind. (AP) — Ralph W. Monfort, 81, publisher of the Hartford City News-Times, died Saturday night in Blackfoot County Hospital. He was a newspaper veteran of more than 60 years.

SCRANTON THIRD

OXFORD, Ohio (AP) — Gov. William W. Scranton of Pennsylvania placed third in presidential voting Saturday at Miami University's mock GOP convention.

Ambassador Henry Cabot Lodge won the nomination with 873 votes. Sen. Barry Goldwater of Arizona was second and Scranton was third, with 183 votes.

Appalachian Area Job Ideas Given

PRINCETON, N. J. (AP) — Thousands of new jobs could be created in the Appalachian region by the development of timber and tourist resources, a group of college students studying the region said Sunday.

The 45 students attended a three-day conference on Appalachia sponsored by Princeton University's Woodrow Wilson School of Public and International Affairs.

They said a timber and wood-processing industry could flourish through reforestation and tourist facilities could draw vacationers who now travel farther west.

Their reports will be submitted to congressmen from the Appalachian region, members of congressional public works committees, journalists, educators and special interest groups.

SUPER X-RAY CITED NEW AID IN LUNG CANCER

By FRANK CAREY
Associated Press Science Writer
PALM BEACH SHORES, Fla. (AP)—New evidence was reported today that medicine's heavy artillery against cancer—super-voltage radiation—can help certain victims of inoperable lung cancer cheat death for years beyond the usual expectancy.

Dr. Ruth Guttman of Columbia University told about it in a report to the sixth annual seminar for science writers, sponsored by the American Cancer Society.

FOREGO TREATMENT

She said that at present many surgeons and radiologists do not offer their lung-cancer patients any treatment at all after an exploratory operation shows cure is impossible and if the patients are free of symptoms for the time being.

But new studies of her own indicate, she said, "that it might be worthwhile to revise this attitude."

Describing use of high doses of supervoltage X ray in 82 patients who had undergone an exploratory operation and were found to be inoperable, she said 58.5 per cent survived more than a year. She added that in appreciable numbers survival ranged as high as eight years, with eight patients still alive between three and eight years after the completion of treatment.

ELIMINATES PAIN

The average survival time so far has been 21 months—compared with 10 weeks to 6 months for patients who received no treatment, the scientist said.

Dr. Guttman also said that the large majority of the patients showed "subjective improvement"—that is, freedom from such things as pain and cough.

Even in another group of 150 patients who were so obviously incurable that no exploratory operation was done, the super X-ray treatment helped, she said.

HIGH DOSAGE

Forty per cent of this latter group survived for one year; 13 per cent for two years; 7 per cent for three years; 5 per cent for four years; and 2.5 per cent for five years or more.

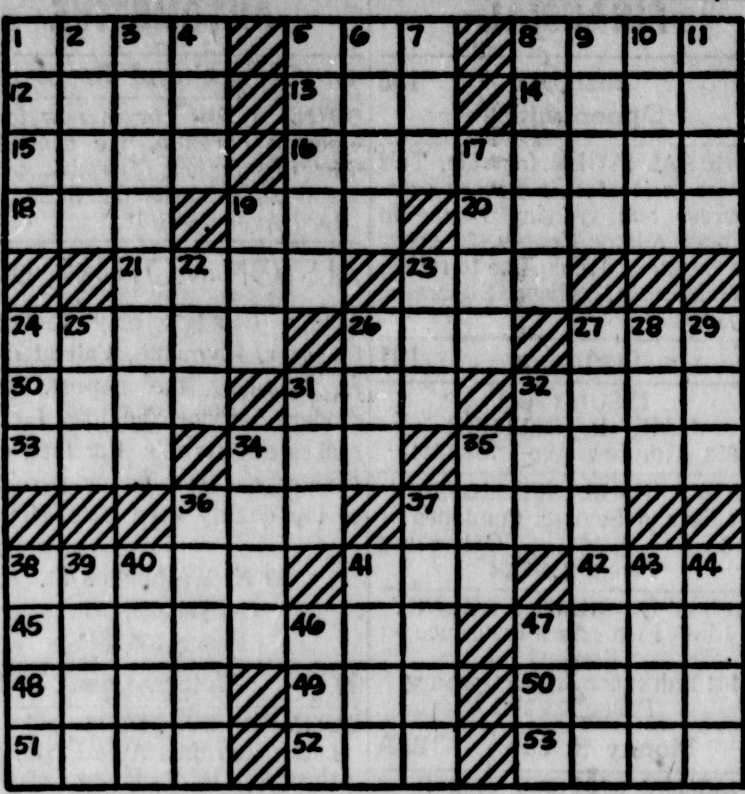

The treatment employed in both groups consisted of 5,000 to 6,000 "rads" of radiation delivered over five to six weeks with a two million volt X-ray unit.

Speaking of the results in the group of 82 patients, the doctor said: "It cannot be conceived that such beneficial results can be achieved when the tumor is permitted to grow and spread after an unsuccessful exploration, and it is urged (upon doctors) to offer well-planned radiotherapy immediately after the exploratory (operation)."

TODAY

In History

Today is Monday, March 23, the 83rd day of 1964. There are 283 days left in the year.

On this date in 1775, Patrick Henry made his immortal address with the phrase, "Give me liberty or give me death." He was appealing to the Virginia Provincial Convention for preparedness against a possible struggle with England — at a time when few dared voice thoughts of complete separation.

On this date in 1872, Michigan adopted the first sex equality law in the United States. In 1901, the Philippines rebel leader Aguinaldo was captured by Gen. Frederick Funston. In 1906, former President Theodore Roosevelt set off on his scientific expedition to Africa.

In 1918, the Germans began shelling Paris, 76 miles away. In 1933 Germany's Reichstag granted dictatorial powers to Adolf Hitler.

Ten years ago — Israel announced a boycott of the Mixed Armistice Commission when the commission failed to censure Jordan in a dispute over an attack on an Israeli bus in which 11 persons were killed by machine gun fire.

Five years ago — King Hussein of Jordan arrived in Washington on his trip around the world.

One year ago — Washington was applying strong pressure on Gen. Chung Hee Park, the chief of South Korea's military regime to rescind his decision to reimpose restrictions on all civilian activity.

BOBO OLSON

ON TV FRIDAY

By THE ASSOCIATED PRESS
The last time Bobo Olson was seen in a national television fight was when he was knocked out by Doug Jones in the sixth round in Chicago Aug. 31, 1960.

Now the 33-year-old Hawaiian, unbeaten in his last seven fights, is bidding for a shot at the light heavyweight crown.

He will be risking the chance Friday night when he meets Wayne Thornton, 24-year-old contender from Fresno, Calif., in the television fight of the week at San Francisco.

The 10-rounder will be telecast nationally by ABC-TV. Starting time is 10 p.m., EST.

Olson, now ranked sixth contender, has a 86-13-2 record, including 40 knockouts. Thornton, ranked fifth, has a 29-5-1 record. He has scored 18 knockouts.

College Students Vote For Scranton

SAN FRANCISCO (AP) — If opinions of California Republican college men are heeded, Gov. William Scranton of Pennsylvania should prepare to plunge into the 1964 presidential race.

Scranton came from a dark horse position Sunday to win a third ballot nomination at a mock national Republican convention staged by the California College Republicans.

The group, which split last year from the more conservative California Young Republicans, deadlocked on the first two ballots among Sen. Barry Goldwater, Gov. Nelson Rockefeller and Ambassador Henry Cabot Lodge.

GIVE FOOTBALL TV SCHEDULE

NEW YORK (AP) — Nine college football teams will appear on television twice each, while four others will be seen for the first time during the 1964 season.

The schedule announced Sunday calls for televised games on 13 Saturdays and Thanksgiving. The 1964 season is the first of two covered in the National Broadcasting Co.'s \$13 million contract with the National Collegiate Athletic Association.

Single games will be seen nationally on eight of the Saturdays and Thanksgiving. Four games each will be shown regionally on the other five Saturdays.

Scheduled for two appearances, the most allowed, are Pittsburgh UCLA, Navy, Minnesota, Syracuse, Southern California, Air Force, Michigan and Michigan State. The UCLA-Pitt game will open the schedule Sept. 12.

Colorado State, Iowa State, Mississippi State and Texas Tech will be seen for the first time on television. The NCAA stipulates that four new teams must be included each year.

There also must be four teams which haven't appeared in the previous five years. Six teams come under this category in the 1964 program including Auburn, Cornell, Holy Cross, Kansas State, North Carolina State and Texas Christian.

state championship for the first time in more than three decades.

The nearby community of Connellsville also joined in the festivities, giving the 15-m-a-n team and its coaches a parade Sunday as the squad passed through Connellsville enroute home.

A Marine color guard, the Uniontown V. F. W. band and scores of people greeted the team and high school band on the outskirts of Uniontown Sunday afternoon.

Best single game completion record in Big Ten football last fall was turned in by Dick Bader of Indiana. He completed 20 or 28 passes against Iowa.

MAE WEST IN MR. ED HORSE SHOW ON TV

By CYNTHIA LOWRY
AP Television-Radio Writer
NEW YORK (AP)—Television hath wrought some remarkable situations in its short existence but none quite as unlikely as one Sunday night.

Mae West, an American institution as enduring, it appears, as Mt. Whitney, turned up playing what amounted to a bit part in a comedy series starring Mr. Ed, CBS' talking horse.

It is very probable that most of Mr. Ed's fans did not find Miss West, blonde, buxom and swathed in white-fur, very funny. Most of his admirers are much too young. It is extremely doubtful, too, that any adult who howls at jokes tailored to a horse who talks, makes telephone calls and watches television horse operas would respond to Miss West's special brand of comedy.

WRONGED BY HORSE

Time has not altered the lady's style or appearance. But she was not permitted to repeat the lines she made famous. Mr. Ed had to say, "Come up and shoe me some time." One of the women regulars said, "Peel me a grape," another nifty that had the older crowd in stitches years ago. Poor Mae's bit line, when asked her recipe for glamor, replied: "Positive thinking and no drinking."

It was pretty disappointing to find that after all these years Mae West was done wrong by a talking horse.

HOPE SHOW DREARY

Bob Hope has been acting in a few book comedies in the NBC series on which he acts as host. Although the television woods abound with comedy series in which the same characters turn up — with, alas, many of the same jokes — really funny comedy dramas are even rarer than serious plays.

Hope, unfortunately, has had no better luck. Friday night's program, "Her School for Bachelors," had a plot apparently exhumed from a decently

Check Students For Hepatitis Victims

MEMPHIS, Tenn. (AP)—Health officials hope to locate the last of those exposed to hepatitis at a hospital here when University of Tennessee medical students return to classes today.

Many of the students were among about 2,000 persons exposed to the sometimes fatal disease when they ate in the hospital cafeteria early last week. Later, a kitchen employee was found ill with the disease.

The students left on a spring holiday last Monday and Tuesday. After a large-scale telephone and publicity drive about 1,000 persons were inoculated Saturday in a mass immunization clinic. Another 200 received the gamma globulin shots Sunday.

Carol Mann Wins Women's Western

PENSACOLA, Fla. (AP)—Carol Mann, a tall blue-eyed Chicago blonde, walked off the course Sunday without realizing she had won the 72-hole \$7,500 Women's Western Open Golf Championship.

Miss Mann finished her 36-hole final on a cold, windy course in nine hours. When told her 308 total was worth \$1,200 in first prize money, the 6-foot 2½ inch 23-year-old said "I can't believe it. I didn't know."

Judy Kimball and first-round leader Ruth Jessen tied for second at 310 for \$850, followed by Clifford Ann Creed and Judy Torluemke at 311, worth \$560.

buried B feature of Hollywood's golden days, pepped up by Hope's gag-writers. The result was pretty dreary.

Recommended tonight: "The Outer Limits," ABC, 7:30-8:30 EST, a story in the "Twilight Zone" mood of people trapped in a place where time stands still.

Every plant should fit its location on the property. You don't want a tall-growing tree near windows, or even too close to the house. The right trees or shrubs planted in the right places should be the goal with evergreens.

Evergreens usually are used for hedges or "wind breaks," in order to make the property warmer in winter and cooler in summer. A solid evergreen "wind break" will tone down cold winds for a distance along the ground of 10 times the height of the planting. It should be planted on the side of the property from which the cold winds blow. Plantings also can be made to channel the breeze into your outdoor living room in hot summer weather. The hedges insure privacy.
